Invitation to the Final Planning Conference 7-9 May, Kiruna

On behalf of the Swedish Civil Contingencies Agency (MSB) I am pleased to invite you to the Final Planning Conference (FPC) of Barents Rescue 2019, scheduled to be held 7-9 May 2019 in Kiruna, Sweden.

This occasion provides the final opportunity to plan, prepare and provide the major and vital building blocks, which upon the conduct of the highly anticipated Barents Rescue 2019 Event Week will rest upon. Hence, I trust that not only will each actor ensure the same level of representation and engagement as was witnessed in the Main Planning Conference but also confirm that preparations are made in accordance with that which we jointly agreed upon.

As a continuation of the hard work that has been done and will be accomplished prior to the FPC, each working group will be able to finalise and present their respective focus area and responsibilities in breakout groups and together in plenary.

Deadline for registration is **22 march, 2019**. The registration form is available on <https://www.msb.se/fpc>

Please feel free to send any inquires you may have to barentsrescue19@msb.se

The programme will be distributed approximately two week prior to the conference. Finally, I would like to convey the enthusiasm of not only MSB and the Barents Rescue 2019 core group but also the County Administrative Boards of Norrbotten and Västerbotten in anticipation of the FPC and the Barents Rescue 2019 Event Week itself.

Kind Regards

Mrs Anne Lindquist Anderberg
Head of Exercises Section, MSB
