2017-19**

**The member states of the Arctic Council
are Finland, Canada, Denmark,
Iceland, Norway, Russia, Sweden
and the United States of America**

ARCTIC COUNCIL

One World One Medicine One Health

One Health

Recognizing that human health, animal health, and ecosystem health are linked, One Health aims primarily at improving human health

ARCTIC COUNCIL

One Arctic - One Health

The main actors:

UNIVERSITY OF OULU

NATIONAL INSTITUTE
FOR HEALTH AND WELFARE

Evira

Finnish Food Safety Authority

ARCTIC COUNCIL

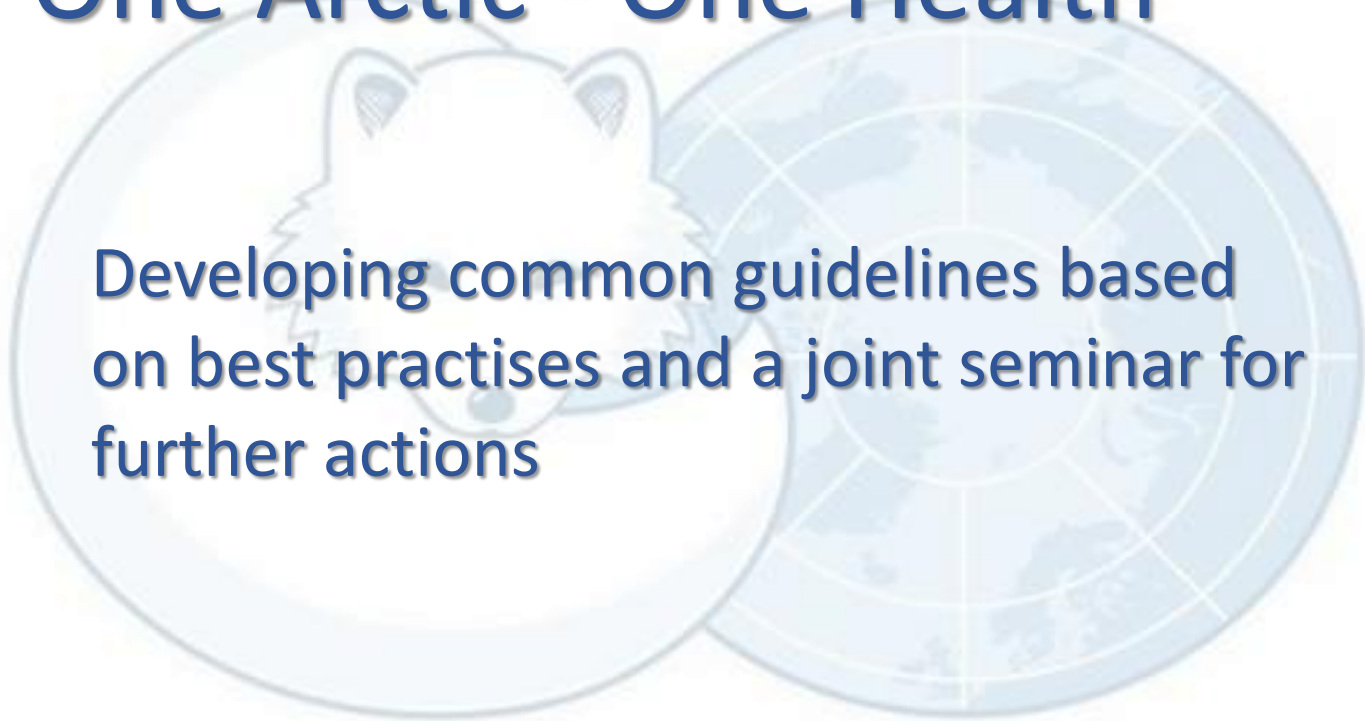

One Arctic - One Health

Recognizing the best practices in diagnosing animal diseases, especially ZOOONOTIC ones within the Circumpolar Arctic, creating recommendations to harmonize diagnostics

Visits to animal disease laboratories

ARCTIC COUNCIL

One Arctic - One Health

Developing common guidelines based on best practises and a joint seminar for further actions

ARCTIC COUNCIL

MENTAL HEALTH PROMOTION

Mental wellness can be supported by building capacity for mental health promotion and by creating positive educational environments, which will enhance the inclusion of indigenous peoples in the development of the regions and countries

Finland supports the continuation of the circumpolar cooperation on suicide prevention

ARCTIC COUNCIL
