

RWGIEC 2015

The chair proposed to fix the following:

...I am of course willing to submit a report, but the fact is **that there were no meetings, and subsequently no activity, in 2015.** ...my advice is **that it is simply noted that this group had no activity in 2015, but aims at convening in April 2016.**

Sincerely

**Stein-Gunnar H. Bondevik**
