

BARENTS EURO-ARCTIC COUNCIL
BARENTS REGIONAL COUNCIL

Regional Working Group on Transport and Logistics

Activity report 2015-2017

Activities in 2015-2017

In 2015 the Working Group had two meetings (in Luleå and Rovaniemi) and some representatives participated also in BEATA-meetings in Rovaniemi and Helsinki.

In 2016 the Working Group had four meetings and some representatives also participated the Transport Ministerial meeting in Arkhangelsk 20-21 June and the Barents seminar 8 December in Helsinki. In 2016 the Working Group started to prepare a project application (Barents Transport and Logistics) to Kolarctic CBC Programme.

In the beginning of 2017 the Working Group organized a project workshop in Helsinki to finalize the project application for Kolarctic CBC Programme. The application was accepted by the JMC in June 2017 and the project KO1029 BRTL can start in spring 2018. Some representatives participated in the BEATA Steering group meeting in St. Petersburg in May. The Working Group had also a general meeting and the project KO1029 workshop in Brussels 27-28 September. In Brussel the representatives visited also the EU Parliament as guests of the Finnish MEP Mrs. Merja Kyllönen.
